SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, business disease, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, pain in stomach, etc., also from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system like a telegraph system, is well seen by the accompanying diagram. Black lines are the nerves which carry the nerve force from the nerve centers to every part of the body, and the white lines are the messages conveyed along the telegraph wires to every station, large or small. Ordinary physicians do not regard this fact instead of treating the nerves, centers for the cause of the diseases arising therefrom than of the part affected.

Franklin Miles, M. D., L. B., the highly celebrated specialist and surgeon, has written a number of many now famous articles on the latter subject, long since realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is well known, as the hundreds of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, neuralgia, bilious prostration, sleeplessness, rheumatism, hysteria, sexual debility, St. Vitus' dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opium or dangerous drugs.
